*The iPhone X display has rounded corners that follow a beautiful curved design, and these corners are within a standard rectangle. When measured as a standard rectangular shape, the screen is 5.85 inches diagonally (actual viewable area is less).

†Offer only available on presentation of a valid, government-issued photo ID (local law may require saving this information). Sales tax on the full value of a new iPhone and any applicable fees may be due at time of purchase. Value of your current device may be applied toward purchase of a new iPhone via an available carrier financing plan. Offer may not be available in all stores and not all devices are eligible for credit. To see if your device is eligible, please visit Apple's [approved partner](#). Some stores may have additional requirements. You will be required to agree to the full terms and conditions available at the Apple Store. Online and in-store values may vary.
